N9NE ANNIVERSARY

N9NE Steakhouse and Ghostbar celebrated its golden ninth anniversary with a private event benefiting charity partner the Boys & Girls Club of Chicago on Thursday, April 30. In support of the charity, guests contributed athletic equipment for children and participated in a raffle and live auction. Over 700 attendees mixed and mingled through the lively crowd while enjoying delicious creations by Executive Chef Michael Shrader, featuring Allen Brother's steaks. • **Photography by Joseph Storch and Michael Kardas Photography**
